

Saint John Sea Dogs Irving Oil Limited Team Player Award

The Saint John Sea Dogs & Irving Oil have teamed up for the “Irving Oil Team Player Award” to promote the positive values of minor hockey and the importance of being a team player both on and off the ice.

We want to reward not just the players who score the most goals - but also the unsung heroes who work hard to help their team. We want kids to know that hard work is an important skill unto itself - just like learning to be a good skater, or making a big save.

Following a weekly game or practice, coaches choose a player to receive the award. Coaches can use the award to identify what qualities in your players that they want to motivate or improve. These qualities don't have to be skill-related, and can be very specific to each player. The goal is to have every player on the team receive the award at some point during the season

The program is open to all levels of minor hockey. Here's what is included in a coaches kit

Team Player Jersey

A replica Sea Dogs Jersey that identifies the player as being the Team Player award winner for the week. This Jersey can be used at the end of the year as a overall Team Player Award for the Team

Team Player Certificate

A keepsake for the player of his award signed by the Sea Dogs. We will supply all certificates at the beginning of the season.

Meet the Sea Dog Team Player Award Winner

Every month the Sea Dogs will award their Team Player winner. All minor hockey winners for that month will get a chance to meet him and get their picture taken with him at Harbour Station on our team player award night. A schedule of the Team Player Award ceremonies will be posted on our website in October.

Name in the Newspaper

At the end of the year, all winners will have their name included in our banner in the Telegraph Journal.
