Hampton Minor Hockey Association is no longer able to honor request for players to be on a certain team or with a certain coach. HMHA only guarantees the coaches son/daughter.

All registrations are subject to review by the Registrar. No registration will be approved until all fees are paid and the required documentation is received.

Please note: Hampton Minor Hockey is looking to encourage all players, IP-Atom, to try the position of goaltending. We will be asking all players to "try" the position in either a practice or game.
