Subject: Effective immediately Hockey Canada sanctioned activities for the 2019-2020 season are cancelled

Hockey New Brunswick has been advised by Hockey Canada that the Hockey Canada Board of Directors has voted to cancel all Hockey Canada sanctioned activities for the remainder of the 2019-2020 season, effective immediately as a result of the impact of COVID-19.

This decision is unprecedented and was made for the health, safety and well-being of the membership.

Hockey New Brunswick will continue to work with Hockey Canada and our medical experts to continue to provide information as it becomes necessary. We understand there will be many questions around this decision and we ask for your patience as we work towards resolving those questions.
