

HAMPTON MINOR HOCKEY ASSOCIATION

Safe Return to Hockey

Hampton Minor Hockey is working diligently to a safe *Return to Hockey* plan based on direction from all levels of government, Hockey New Brunswick, Hockey Canada and the public health authorities. We ask that our Hampton Minor Hockey Families remain patient and flexible as we aim to provide your player with a safe and fun hockey season.

As the things continue to change with the COVID-19 (coronavirus) pandemic, we wanted to prepare this webpage as a quick reference for resources and information as we continue to navigate this unique hockey season. We aim to provide you with the most up-to-date information concerning safety protocols for *Return to Hockey*.

HAMPTON MINOR HOCKEY OPERATIONAL PLAN - Once approved by the Town of Hampton the Hampton Minor Hockey Operational Plan will be available here.

TOWN OF HAMPTON OPERATIONAL PLAN [Click Here](#)

Please note: Operational plans are fluid documents and are subject to change in the future based on changes to public health authority and government directives.

Facilities throughout our region will vary in their approach to reopening based on applicable public health authority guidelines in place. In time, Hockey New Brunswick will have a database for each facility and their operational plans so we will now what to expect when we visit another facility. When available the link will be included here.

RULES FOR RETURN TO PLAY – Current rules in place by the Town of Hampton and Hampton Minor Hockey Association. [Click Here](#)

SCREENING

It is crucial that any participant not attend a hockey activity if they are feeling ill, suspect they may have COVID-19 or have tested positive for COVID-19. Pre-activity screening will be required prior to be admitted to the Hampton Community Centre.
