To whom it may concern:

(_____) is a volunteer with Hockey New Brunswick.

Due to minor hockey volunteers being in a position of trust and being responsible for the wellbeing of vulnerable persons or children, Hockey New Brunswick requires that all team volunteers over the age of 18 complete a Criminal Record Check and Vulnerable Sector.

Both reports when obtained will be entered into the Hockey Canada Registry and be valid for a period of 3 years.

This document should be presented to the local Law Enforcement Agency to validate that this is for a volunteer organization.

Thank you in advance for cooperation and attention on this matter.

Respectfully,

Nic Jansen
Executive Director
Hockey New Brunswick
